**Dear Carl,**

**Church Co-ordinators**

I am very encouraged this week as two NPN [church representatives](#), one from Chester and one from Carlisle who have submitted a list of streets they are praying for as a church and as individuals. Loving Telford have also been successful at encouraging people to pray. Thank you !

**Adding Multiple Streets**

We have had several queries from church representatives about how to add multiple streets their congregation are praying for, to our mapping facility. We are looking at simplifying this in the future. If you [email us](#) a list of streets, with the name of street, town and postcode of each street, we will add these for you. If you do not have the postcodes we will look them up for you, but it will help us a great deal if you could provide these for us. If members of your church want to receive this newsletter with our weekly prayer suggestions, directly, we will also need their email address. Otherwise, we rely on church co-ordinators printing the newsletter and distributing in their local church.

**Our Map**

Praise God ! There are more than 1500 streets registered on our map. Our mapping facility is now shared across several websites and after a few glitches, is running more smoothly. If you would like our mapping facility on your church or ministry website, we are now ready to start sharing this with more websites again.

**North Devon House of Prayer**

[North Devon House of Prayer](#) have designed a postcard and are printing 2500 to give out in their local area. We are looking at the possibility of having a similar postcard for different areas of the country. We will keep you updated. We are extremely grateful to North Devon House of Prayer for all their work recently! Thank you. Their website also shares our mapping facility.

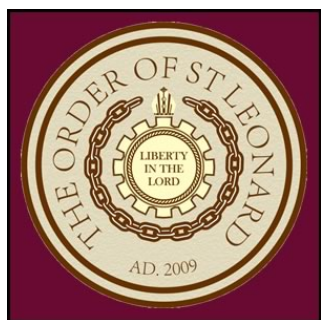

**Prayer Triplets**

It is our hope that many of you will form a prayer triplet,

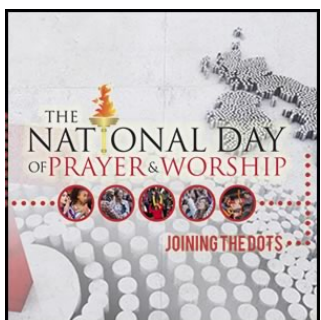

representing three different streets in your area or three people from your own street. We call these "lighthouses" to tie in with what Pray for Scotland and some other groups are already doing. We have a prayer triplet guide which you can download from our website [www.neighbourhoodprayer.net/pray](http://www.neighbourhoodprayer.net/pray) or is available in a more eye friendly version in our book, "[Neighbours, Transform Your Street.](#)" (pages 98-124) Please let us know if you are in a prayer triplet.

*Testimony (1)*

*Thank you, appreciated. I've never done this kind of prayer for a specific road before and I have a healthy skepticism for drawing conclusions from anything. But I feel differently since I started the prayers. These are "my" roads and I feel some sense of prayerful responsibility for those known and unknown to me. It's something more real than praying for a town or community somehow. I've sent details to a friend in another distant county to mine, as she's interested in praying for specific areas. So thank you. Janet*

*Testimony (2)*

*We have now linked up with two other couples who live in our road, both of whom worship at the local Baptist church, and another Believer who lives at the end of our road with his widowed mum.*

*We have decided to meet monthly, since we are all busy with regular prayer gatherings on a weekly basis, as well as private prayers.*

*The UCB "My Child" handout has prompted me to do something similar. We have a supply of the "Father's Love Letter" for release, as the Lord leads. Yesterday, at our church, Toxteth Life Centre (formerly Christian Life Centre Liverpool), we had a visit from Liverpool's Asst Mayor, herself a Christian, to have a look at our outreach ministry to the homeless in our area. Jean, North West.*

**Ordering our Book**

If you haven't already done so, you can order our Book, Neighbours Transform Your Streets, from the website. The book contains detailed information, prayer guides, ideas and testimonies that we work through as a network. There's a great offer on the website at the moment, for 14 books (one box) for the price of 12 and free Postage and Packaging, so if you as a church wanted to use the book as a workbook for prayer, it has everything you need. **Neighbour Friday**

**PRAYER**

PS 24:1-5

Lord, forgive us that our society worships idols such as money, football, Tv and celebrities. May the people living on my street have a hunger to seek a real, meaningful relationship with You.

Can you give up TV, radio or web-browsing for a few hours this week in order to help a neighbour?

### **CARE**

Can you organise a big lunch on Sunday 2nd June? A Big Lunch can be anything from a few neighbours getting together in the garden or on the street, to a full blown street party with food, music and decoration that quite literally stops the traffic. Visit [www.thebiglunch.com](http://www.thebiglunch.com)

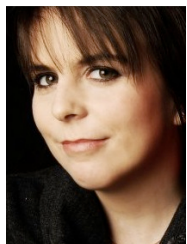

### **SHARE**

Can you invite someone to your church in the coming weeks?

Please consider attending Trumpet Call, details at the end of this newsletter

Thank you for all your prayers

Every Blessing

Rebekah Brettle

### **Trumpet Call 2013**

Please can I encourage you to attend Trumpet Call 2013 on Saturday 15th June in Birmingham, hosted by World Prayer Centre.
