Dear Carl,

To all our Welsh friends, Happy St. David's Day.

Many thanks to all those who have sent me personal words of encouragement, while I have not been well. Thank you to all who have prayed for us. I am starting to improve significantly and I am looking forward to returning to an almost normal schedule in the next week or two. Thank you for your patience as I have been slow answering emails and queries.

Website

A few weeks ago we took an important step of sharing our map of streets prayed for with our partner, [Love Your Streets](#). We have needed to make a few improvements to ensure that we can track registrations from other websites, but we are ready to share our map technology with Churches and Christian organisations. In principle what this means is that other websites can have our map on their website and people can register to pray for their street through their website. The same data (the dots highlighting streets covered) will appear across all websites using the map. We hope that this will increase awareness about the need to pray for your street and encourage more people to sign up. We recognise that getting every street in the Great Britain and Northern Ireland covered in Prayer is a massive vision, but with many people working together, we see it accomplished!

If you want the map on your website, please [contact us](#). We will give you a free license. Our only requirement is that you say the map is powered by Neighbourhood Prayer Network. All people signing up on any website other than our own, will also receive our weekly newsletter.

Signing People up in your Church.

We need your help. With your leaders permission could you collect details of people in your Church who would like to pray for their street and send the list to us by email or by post? The address is at the bottom of this newsletter. Please indicate the

Church that you are from when supplying details. We are keen to push towards a goal of 4000 streets being covered in prayer this year. We would be grateful if you could help us.

[Download this PDF](#) and ask people in your church to sign up to pray

Father's Love Letter.

Please continue to place your orders for the Lent/Easter period by ringing UCB on 0845 6040401 (ask for Sandra Spender). Thank you to all who have ordered and even delivered the Father's Love Letter - it's been an incredible response with over 40,000 Letters ordered.

Lent prayer resources

40 days of prayer available on the [website](#) or in Neighbours Transform Your Street or on [YouVersion](#).

#do1nicething under the care section of our weekly message.

Please don't forget our best resource is our book '[Neighbours Transform your Street](#)', which is available through our website. Much of the plan for the year is featured in the book with the story of the ministry featured.
