**Dear Carl,**

Thank you to all of you for continuing to pray.

## Answered Prayer

Sometimes we can wait months or even years for our prayers to be answered. Below is a testimony that shows the power of prayer. Every prayer you pray matters and can be very powerful. Please keep praying for your neighbours. It really does make a difference. Just try praying for three houses to begin with, all of us can do this.

## Testimony

To keep the details of this testimony confidential we have deliberately omitted place and name of the person who provided the testimony, to ensure this gentleman's confidentiality is respected.

*Thank you for the brilliant resource that you have provided and all our church have been provided with the guide to use through Lent.*

*Today, we spoke with our neighbour who was diagnosed with cancer recently. We have been praying and have told his wife that we are praying for him. The blood test that is a marker for his cancer has dropped substantially in the last few weeks, he feels so much better than he was, and his wife is saying that the specialists will be amazed when they next see him. Praise God for His work in this man's life and please pray with us that his neighbour of ours will continue to see God at work and that he would soon find Jesus as his personal Saviour.*

If you have a testimony of how your prayers have been answered please send them to us.

## Father's Love Letter:

Due to huge demand, UCB is out of stock of the Father's Love Letter. You have ordered more than 38,000 copies - wow. More have been ordered. You can still place your orders for the Lent/Easter/Fathers Day period, new stock will arrive soon.

Thank you to all who have ordered and even delivered the Father's Love Letter. Please let us know of any testimonies arising from the distribution of this resource.

### **Lent prayer resources**

40 days of prayer available on the [website](#) or in our book [Neighbours Transform Your Street](#) or on [YouVersion](#).

### **National Day of Prayer and Worship - [NDOPW](#)**

We missed the launch of the Join the Dots Tour in Parliament this week. Neighbourhood Prayer Network is a key partner. Post Wembley Stadium, we are working with [NDOPW](#), Urban Saints and UCB to [tour around the UK](#), connecting with church groups and prayer networks, to support and encourage what is going on, on the ground. This weekend, we'll be in [St. Michael Le Belfrey in York](#) (opposite York Minster, click the link for times & Directions), where I will be sharing the vision of Neighbourhood Prayer Network alongside Jonathan Oloyede from NDOPW.

### **Apologies**

I do apologise to those who have been waiting for a reply to a query or email. We've recently found out I'm pregnant. I have not been well the last three weeks (severe pregnancy sickness) resulting in a hospital admission this week for dehydration and I am therefore behind. I hope to catch up in the next few days. Thank you for your patience.

Every Blessing

Rebekah Brettle
