Dear Carl,

Thank you so much for the tremendous encouragement you have all been this week. After so many years of carrying this vision, I now feel I am firmly on a journey to see the vision fulfilled.

This week has been an exciting week as we have seen over 400 people register to pray for their street. A number of Initiatives that are similar to Neighbourhood Prayer Network, have contacted us and we are looking at ways we can work together in partnership.

Next Steps

We are seeking to recruit [Postcode Co-ordinators](#) who aim to see every street in a post code area covered in Christian Prayer. We are also looking for [Church Representatives](#) to spread the idea in churches. If you are interested in helping us spread the vision in either of these ways, please contact us directly or fill in an application on the [website](#).

Finally, if you think this initiative might be of interest to anyone you know, could you encourage them to [register and pray for their street?](#)

Every Blessing

Rebekah

Today is Neighbour Friday

PRAYER - October 12th 2012

Matthew 7:1-6

Lord, forgive me for the times when I have judged others without knowing them. Open my eyes to see the beautiful child you created them to be. Give me compassion for those I might prefer to avoid.

CARE - Neighbour Challenge

If you are physically able, offer to sweep the leaves from your neighbours' drive ways or paths.

SHARE - Consider ordering a 'Bag of Hope' to give out at Halloween to children who come to your door "Trick or Treating." This bag has a book in story form that shares the story of Jesus. You can order them free, (*only pay for postage*) from www.ucb.co.uk

Praying for your Street - Great Progress

We've made great progress in just one week, adding a few hundred more streets to the map as many of you have let us know that you are providing prayer cover to your street. We've had enquiries from Germany and the USA also. All very exciting. Please note the statistics at the top of this email also.

Take a quick look at the two images, the top one was last week, the one below this week - it's incredible the progress -

Finally we have been in touch with our developers at Church Edit, and we are looking to make a series of improvements to the Prayer map.

Very soon you will be able to register your church and then every street your church congregation is praying for - linking the parishioner to your church record. This will enable you to see a very local picture of your prayer impact as well as the Nation scene. We've got lots of idea's in the pipeline of how this will all work, but for now, let's get as many streets prayed for as possible; please spread the word, and let's get more friends registered.
