Dear Carl,

Welcome to the very first update from Neighbourhood Prayer Network. It was great to see many of you at Wembley and make new friends.

I must admit I was very nervous on the day, it's my first time to speak to a large number of people, I hope I did OK.

The book is out and looks great. I was asked to write a Legacy book for the National Day of Prayer and Worship. So I spoke to people all around the country, looking for great ideas to present to us all that might be used by your local church in your own area.

We've had hundreds of people sign up to pray for their street, for more information on how to do that, please scroll down to the bottom of the email.

Let's keep in touch, this is a network so any ideas, prayers or suggestions for improvement are very welcome.

Every Blessing

Rebekah

Neighbour Friday's

Thank you for registering on our website. We are so excited about the response we have had this last week. We know many people thoroughly enjoyed the "National Day of Prayer" and we hope to see God moving in power on the streets we live on.

As many people work together and we pray over the coming weeks, months and years, I believe our nation will be radically changed by God's power.

Below, we list a prayer for this week, which can also be found in 'The Prayer For Today' a UCB prayer magazine. We also ask you to consider joining us in saying thank you to those who serve us.

This Weeks Prayer

October 5th 2012 - Reading : Psalm 139:1-4

Lord, help my neighbours who feel lonely, rejected, depressed or anxious. Give me opportunities to share with them the comforting news that they have a Heavenly Father who knows and loves them completely.

Action : Could you visit an elderly person (of the same gender), on your street this week, check they are okay and offer to help them in some way.

The Power of saying Thank You

We are asking people to write thank you cards to the police, to your GP, practice nurse, fire service, local councillor or MP. To your milk man, post man, dustbin man, anyone who provides a service to you. Saying thank you is powerful.

This is an initiative of Redeeming our Communities and Neighbourhood Prayer Network working in partnership. This is on page 188 of our book, Neighbours, Transform Your Street!". For More information about the Book - [Click Here.](#)
